Yearly Report 1945-46.

To Members of the Occident Club :

It is with pleasure I submit to you the following report for the past year. In making out my report I have divided the year's work into five groups.

(I) Civic activities and community service: our oldest project, the library is still functioning and we are trying to bring to the community good reading and the latest in fiction. Also to provide an educational source and reading for the children. I wish to thank all who have worked in the library and any who have worked there realize we have a more varied work than other libraries as all cleaning is done by the women themselves. To Mesdams McCoy, Scrivner, White, Jones, Cato and Cairns I wish to offer many thanks for their many hours of work in the library.

Another good project is the two year old emergency closet, articles have been added to this closet yearly and now it contains _____ pieces. There seems to be a call for some article all the time. Thanks to this committee and Mrs. Cox for making this project a success.

This year we saw our Youth center get off to a successful start and I think to Mrs. McCoy goes credit for most of this as she has worked hard and faithfully never giving up in face of many remarks said to her, "that it never would be a success".

The new signs for the club house and library added much to the appearance of the building. The screen doors were a necessity and hope to get them painted in the near future. The refinished floors are very beautiful and thanks to the women for doing the waxing, and also washing the chair-pads.

Contributions were made to the Red Cross, Sister Kenny Foundation, Cancer Control, clothing drives for foreign countries and \$2.50 per month to the Red Cross canteen at Boise. and Mrs. McCoy was chairman of the Red Cross drive for Meridian and vicinity.

(2) Social: New members were given a special

welcome into the club at our Fall meeting and honorary members were honored and given corsages. The Christmas party with covered dish luncheon and gift exchange was well attended.

The club sent a Christmas card and year book to the Aruba Club of Aruba. *Part Presidents honored with a program & presented corsages at our picnic*

(3) Patriotic: A part of each meeting was devoted to Americanism and many pointers were given on flag etiquette. Also a very interesting program in Feb. was given, Thanks to Mrs. Lane and Mrs Veach.

The American flag was cleaned twice, by Mrs. Boice and by myself and I also had the banner cleaned.

(4). Cultural: The study group met monthly with lessons on the various countries and islands in the Pacific which were scenes of battle.

Better Homes of America committee gave an interesting program in April. Mrs Acre of Costa Rica gave a very interesting talk about that country.

The legislative committee, Mrs Ulmer and Mrs Robbins presented a very good program the bills before Congress of which women should study and know about. *about*

Special music at each meeting was enjoyable and thanks to Mrs Coleman.

Papers on American art and travel talks were interesting. Nazi and Japanese surrender terms were read at one of our programs.

Poems written by Mrs Heikes were enjoyed.

Roll call was varied, educational and interesting.

Talks were very fine given by prisoners of War, Mark Calnon and Mr. Packard. Mrs. *Julia* Harrison of Boise gave an instructive talk on Youth recreation.

(5) Financial: Our chief income is the revenue from the Lions' dinners twice monthly. Other means of earning money was the Hobby show, rummage sale and card party.

I have helped with all work done at

our club house in the past year excepting waxing the Club room floor as I was out of town at that time. I have helped chopped kindling, washed windows, mopped and waxed floors, washed all curtains, cleaned kitchen cupboards and lavatory, fixed stove pipes, mowed, raked and irrigated the yard. I wish to thank all who have helped with these special duties.

I wish to thank all committees, officers and members for their work and helping to make this a successful year. I could name each member separately but this is not necessary as I thank sincerely thank all of you.

Your president attended the District meet in Boise in April and found the meeting educational as well as enjoyable. And I think another great value of these meetings is to greet old friends and meet new ones. One is broadened by these associations so I think it is the same way with a club belonging to higher organizations as State and National.

We do not learn if we do not get new ideas. It has been a pleasure to have served you the past year as librarian as well as president.

It was my desire to have a constitution and by-laws printed for each member of the club but awaiting some changes I didn't get it done.

Thanks again for the privilege of serving you as president and hope you will give the new president and officers your loyal support.

"It is my joy in life to find
At every turning of the road
The strong arms of a comrade kind
To help me onward with my load.
And since I have no gold to give
And love alone must make amends,
My only prayer is while I live
God make me worthy of my friends."

(Mrs) Marie Sandy
President

*Noted to join the State Fed.
