The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over. Surely, goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

23 Psalm

Dear Members of the Occident club,

I am sorry I have not written earlier.

I enjoyed Girl Scout camp very much. It was the best time I had all summer. It was a real nice camp ground.

Thanks so much for giving me this wonderful opportunity. If you had not have done this for me I would probably not have been able to go.

I had lots of fun and met lots of new friends.

Thanks again.

Yours truly

Occident Club of Meridian - 1959-60

Mrs. Roy Stuart - Pres.

To Officers and Club Members :

The members of the Meridian Occident Club have spent an enjoyable year together . Old members and new members have worked towards carrying on our two main projects , the Emergency Loan Closet and the Library .

To gain money for these projects and other club activities the annual Sourdough breakfast was served in September . Dinners have been served to different organizations besides the twice monthly Lion's dinners . The Occident Club also rents its club rooms to groups and individuals for small rental fees .

The Occident Club had a wonderful gift of over \$ 126.00 from the Veterans of Foreign Wars to purchase a new chair for the Emergency Loan Closet . Individuals have also contributed to the Emergency Loan , in appreciation for the use of its equipment , which now consists of nine chairs , ten hospital beds and mattresses , one cot , three pair of bed rails , two lifts , five oxygen regulators , four oxygen tanks , many pair of crutches and other sickroom aids .

The Library has had donations of new books and magazines from individuals. New books are also purchased regularly from the library funds. . Over 1600 books were loaned to children and adults during the month previous to our April club meeting . New book shelves have been added to those already in use in the library and a large cabinet was built for storage of library supplies .

This spring the club rooms have been redecorated and are very pleasing in appearance . Our club was very fortunate in receiving a lovely glass punch bowl and 70 cups as a gift from a past president . We appreciate the gift very much .

Our programs for the year were inspiring and informing . The Girls' State representatives from Meridian gave interesting reports on their experiences at Girls' State .

An Idaho program gave us the opportunity to sing Idaho songs and to hear a talk on " The Forming of the Boundaries of Idaho as a Territory and a State " by a speaker from the Idaho Historical Society .

Present Day Youth and their Problems was the subject of another program.

An inspiring Christmas program consisted of a Bible reading , carols , and viewing a collection of fifty pictures of Christ in Art . A covered dish luncheon preceded the meeting .

The life and music of George Gershwin were reviewed by a club member . Local students sang several of Gershwin's songs .

Other programs were on Civil Defense , mental health , talents of the club members , and flower arrangements . A book review will be a later program.

Members of the Century Club of Nampa were our guests in April , also the student winners of the poetry and art contest and their mothers . Over 240 adults and students viewed the art work on exhibit at the Occodent Club .

Last summer three club members had the opportunity to appear on TV to exhibit and relate interesting facts concerning "Keepsakes , Old and New", which had been the subject of the June program in '59 .

We were saddened in March by the death of one of our club members , Mrs. Carol Benjamin . Mrs. Benjamin was music chairman and Vice President . She had resigned her office at the first of the year due to ill health . Mrs. Ethel Soucie was elected to finish the year .

Club members sold a block of tickets to help the blind of Idaho with their new building project and helped in the candy sale for the Blind Association . Club members collected a car load of materials for handicraft work for the State School and Colony at Nampa . Another trip is planned to take more magazines , clothing , material scraps and thread .

Donations have also been made to the Children's Home , Indian Scholarship Fund , Bloodmobile , Penny Art , Ida Pines , Girls' State , Self-Help to Mexico and Camp Alice Pittenger . The use of the club rooms were donated for a Brownie Troop meeting . The club helped supply the nurse's room at the new Meridian Elementary school with a plastic covered pillow and pillow cases , pan, icepack , hot water bottle and two thermometers .

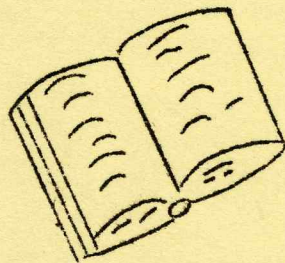

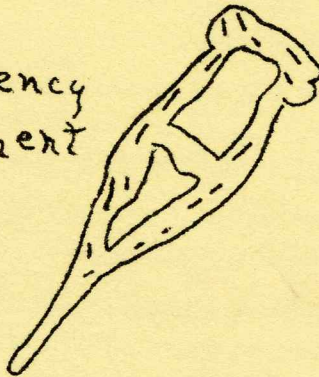

Now we are looking forward to another busy and interesting club year . New officers are President, Mrs. Ethel Soucie ; Vice President, Mrs. Gertrude Rosti ; Secretary, Mrs. Nita Scrivner ; Treasurer, Mrs. Viola Moore ; Assistant Secretary, Mrs. Bessie Matcham ; and Historian, Mrs. Minnie Anderson .

During the past year it has been a pleasure to work with the other officers, committee chairman , committee members and club members .

## Unique exhibit Long-ago items displayed at club

Yesteryears were brought to life in the display of very old and unusual items at last week's meeting of the Occident club.

Included were personal possessions, clothing, old Bibles and hymnals, school books—including a McGuffey Reader that had been used by members of the Hartman family in their long-ago school days.

Mrs. Roderick Maw, wearing a black sequined gown of 20 years ago, showed a 200-year-old picture album. Mrs. John Gale had a three-legged iron pot which had been given to her Grandmother Hartman before the Civil War. She said that it had been customary in Virginia for the first daughter to be married to receive the family's iron pot, a very important piece of household equipment in those days.

### Bonnet from England

Mrs. Dan Barker had a hand-made bonnet made in England more than 100 years ago, and a hand-worked sampler dated 1810. Other old items were a framed plaque of "Home, Sweet Home" belonging to Mrs. Clara Maw, and a beautiful black crepe de chine shawl, embroidered with large gold flower medallions.

A hand-made wine jug from Spain was shown by Mrs. Hedges, a bonnet worn in 1860 by Mrs. Francis Veach's mother; an 1845 covered sugar bowl by Mrs. Will Chipman, Sr.; an album made for tintypes by Mrs. Jack Goodrich; and a 110 year old plate from Garretts, formerly owned by C. E. Fredricks, a beeman.

Mrs. Elmer Ross displayed a spread made from wool that was

hand-carded, spun, and woven in 1890. Woven into its border were Masonic emblems.

Mrs. Frank Matcham had a key-wind watch made in Belgium over 100 years ago. Mr. Matcham's father traded a wagon for the watch after he had crossed the plains in pioneer days.

### Vase from Turkey

Other oddities included a vase of Katiaware from Turkey. It was made of four kinds of wood—ironwood, Joshua tree, monkey tree and mahogany. Mrs. Nina Egbert showed her own tiny black baby shoes, and Mrs. Susie Cairns had the hand scales on which she was weighed as a baby.

Mrs. Warren Moore displayed a beautifully framed picture, made from hair from members of her family. Mrs. Zelma Rose had a cocoon in its shell, mailed to her from Hawaii, with the name and address painted on the shell.

Mrs. Fred Rosti showed a 16-inch pipe made of pottery and wood about 16 inches long. It belonged to Mr. Rosti's great grandfather and was made in Switzerland. Mrs. Fred Bower showed several pieces of Idaho pottery made at Hagerman.

The display reminded those who saw it of the heritage on which our present day standards of living are built.

## Home fall injures Mrs. Leota Gregory

Mrs. Leota Gregory is nursing a broken arm as a result of a fall in her home last week. Her left arm is broken above the wrist.

By MRS. LUCILE LOVELL

Great concern for the welfare of their country has been evidenced by the federated club women of southwestern Idaho throughout their second district convention which closed Thursday with the installation of officers for the coming biennium. The sessions were held in the Columbian Clubhouse with Mrs. Dewey Davisson of Weiser, district president, in the chair.

# Introducing Wives of Idaho State Legislators

By MARY JENKINS

January and February spell "midwinter vacation" for a special group of Idaho women, who will be living at Boise addresses for a couple of months while their husbands are concerned with problems of state. They are the legisladies, who know, if they've been here before, that they can be as busy or as idle as they wish.

After Monday's inaugural ceremonies, the women will organize themselves into a weekly luncheon club. And the YWCA is inviting them to make the "Y" building at Eighth and Washington Streets their downtown headquarters. Many are expected to enroll in the Y's winter adult activities classes, as they did two years ago.

Mrs. Don Frederickson of Gooding, the Legisladies' club president, has made arrangements for the first buffet luncheon to be served at the Elks Ballroom Thursday at 12:30 p.m. Helping her are Mrs. J. Vard Chatburn of Albion, vice president, and Mrs. Harold Lough of Moscow, secretary. Current and past legisladies, who will be in Boise for inaugural week, are being invited to attend.

\* \* \*

One woman who won't be idle is Mrs. Charles Winkler of Council, who, as president of the Idaho Federation of Women's Clubs, plans to visit member clubs in the Boise and Twin Falls areas while she is here. In March she goes to Phoenix,

Another legislady with a middle name of "clubwoman" is Mrs. G. M. Brown of Nampa. She once held the state title Mrs. Winkler has, and she is now on the board of the General Federation. Her other affiliations, including life member and past queen of Daughters of the Nile, plus hospital auxiliary and church posts, once earned her mention in Who's Who of American Women. Since 1956 she has been instrumental in raising \$20,000 for the Idaho Ranch for Youth at Rupert in her role as chairman of the Idaho Federation's ranch building fund.

In answering her questionnaire, Mrs. Brown wrote that she's a grandmother eight times over and that, among hobbies, she enjoys china painting and needlepoint most. Her address here will be Hotel Boise.
