Occident club marks 40th anniversary

by Catherine Franklin

Meridian's Occident club celebrated its fortieth anniversary Monday with a covered dish luncheon and an afternoon program.

The club was organized June 16, 1924, at the home of Mrs. Nina Egbert, with Mrs. Marion Clelen as the first president.

Present Monday were five of the original charter members—the Mmes. Clelen, Egbert, Susie Cairns, Zelma Rose, and Mrs. Herschel Davidson of Boise.

The birthday cake for Monday's event was inscribed "1924-64." Mrs. Nannette Brunn presented the club with a beautiful ceramic vase.

Program of memories

Mrs. Marguerite Patch built the program around the theme of reminiscing. She read a poem written by a charter member, Mrs. Gertrude Stanton, and first read in 1924, entitled "When the Preacher Came to Dinner."

Mrs. Clelen, the first president, related amusing incidents recorded in the minutes of the first two years. Mrs. Vera Miller of Boise, second president of the club, continued the reminiscing.

Mrs. Fred Bower, retiring president, reported highlights of the past year and thanked her officers and the members for their co-operation. Mrs. Davidson, accompanied by Mrs. Clarence Biggs of Boise, sang a song which was a repeat from one of the early programs, "A Little Brown Owl." Her second selection was "Prayer Perfect." To add to the early recollections Mrs. Davidson recalled accompanying a 32-year-old solo-

ist, who was then ten years her senior. She said she wondered at that time why a woman so old would want to sing a solo!

Letters read

In the business session letters of thanks were read from Mrs. Earl Marks for help with volunteer service at Nampa State School, from the American Legion Auxiliary for rags for their rug project, and for assistance with the Girls' State expenses.

In yearly reports, committees listed two major projects that had been completed — buying a new electric range, and rewiring the clubhouse with heavy duty wire. The library reported 224 books loaned per library day in May. There are 6,727 books on the shelves and 23,619 books were loaned during the year.

The club received \$121 in memorials during the year.

Emergency Loan

The Emergency Loan committee reported loaning 272 articles to 92 families, and receiving gifts of a walker and other small items, plus \$179 in cash. The ways and means committee, and the committee serving Lions Club dinners, reported satisfactory results for the year.

Mrs. Marguerite Patch gave a report of the state convention held in Twin Falls, and reports were made on the second district meeting in Nampa. At the request of state president Mrs. Charles Winkler, Mrs. Patch has compiled a two-year history of the club activities to be put in a scrap book.

The membership committee announced 26 new members added

this year, making 78 names on the roll.

Officers installed

Mrs. Ray Anderson, president elect, spoke briefly using as her theme, pride in our past and faith in our future. As Mrs. Nina Egbert installed the officers, Mrs. Leo Heikes pinned corsages on each one. They were gifts from Mrs. Fred Bower, retiring president. Installed were the Mmes. Ray Anderson, president; Myrtle Songer, vice president; Francis Veach, secretary; Neal Scrivner, assistant secretary; Warren Moore, treasurer, and Fred Bower, historian. Mrs. Ray Ulmer read the prayer for the new president. Committees appointed included a new one, a committee for volunteer service. Mrs. R. H. Bell was appointed and she stressed again the need for individuals or groups to sponsor the forgotten residents of Nampa State School.

About 40 members and guests attended the Monday luncheon and meeting.

82 pints given

Blood donors set new high

Residents of Meridian and adjoining areas donated a total of 82 pints of blood, when the American Red Cross bloodmobile was here July 29.

Dr. Humbert Valenti, president of the Meridian Blood Group, said that—although the total was short of the community's quota of 100 pints—it represented a new record for this area.

Receiving pins for having donated a total of one gallon of blood each were E. O. "Swede" Boice, Frank Bryce, and Mrs. Wilma Ellensohn.

As a new feature, the Meridian Blood Group donated a door prize of \$5 cash, which was won by Gerald Huffaker.

Volunteers thanked

The local group expressed appreciation to all those who volunteered as donors, and all those who helped with the blood drawing.

Volunteer nurses were Mrs. Faye Pulley and Mrs. Helen Goodrich, with members of Meridian VFW Auxiliary working as aides in the donor room.

Mrs. John T. Brunn was volunteer typist; and members of the Garden Club acted as receptionists. Numbering aides were members of the Alpha Alpha chapter of Beta Sigma Phi.

Refreshments were served to all comers by canteen workers, members of the American Legion Auxiliary.

Telephone committee

Members of several organizations, including the Rebekahs, acted as a telephone committee, reminding area residents of the blood drawing.

Other publicity was provided by posters prepared by Boy Scouts under the supervision of Clark Ellensohn; by a sound truck furnished by the U. S. Navy recruiting station at Boise; and by items in the Meridian News-Times, including a series of articles prepared by Dr. Valenti.

Members of the Meridian Cham-

ber of Commerce helped in unloading and re-loading the blood-mobile equipment. The American Legion donated mimeographing service, and free use of the Legion hall for the blood-drawing.

Dr. Valenti said that the group's goal for the next drawing would be to reach 100 percent of the community's quota—set at 100 pints. He said that, in the past, Meridian-area residents have received more blood than had been donated from this area.

Other officers of the local blood group are Mrs. Lois Frazier, vice president; and Mrs. Minnie Anderson, secretary.

Resident's son badly injured

Mrs. Zelma Rose and daughter, Mrs. Jack Goodrich, have returned from Sacramento, where they were called by the serious condition of their son and brother, Ernest Roy Mathews.

He was injured when the brakes on his pickup failed as he was going home from the late night shift on the French Meadows dam project on the Middle Fork of the American River.

Officers said the truck left the Oxbow access road near a switchback, was airborne 100 feet before hitting a roadway 55 feet below. It flipped over a tree trunk and dropped to another road 10 or 15 feet down.

Mathews received emergency treatment in Highlands hospital in Auburn before being moved to Sutter General hospital in Sacramento. Mrs. Rose reported her son had broken bones in both arms, his nose, two ribs, his right leg, and hip. The gear shift went through the fleshy part of his left leg causing infection. He was also burned by gasoline, which caught fire before he could be extricated from the wrecked vehicle.

CONFUSION REIGNS at Meridian News-Times during installation of 13-ton newspaper press (shown at right, about one-quarter erected). In meantime, old hand-fed press is still in use, while staff copes with problems of working in, around, and over construction areas. In picture below of last week's presstime, Bill Cox operates old press while rest of staff tries to figure out how to get papers from press-to-folder across pit constructed as service-area for work under incoming press. First operation of new press is scheduled for next week (we hope, we hope).

Work on press at News-Times underway now

An AB-Duplex newspaper press, purchased from the Box Elder News at Brigham City, Utah, is being installed at the Meridian News-Times. (See pictures below.)

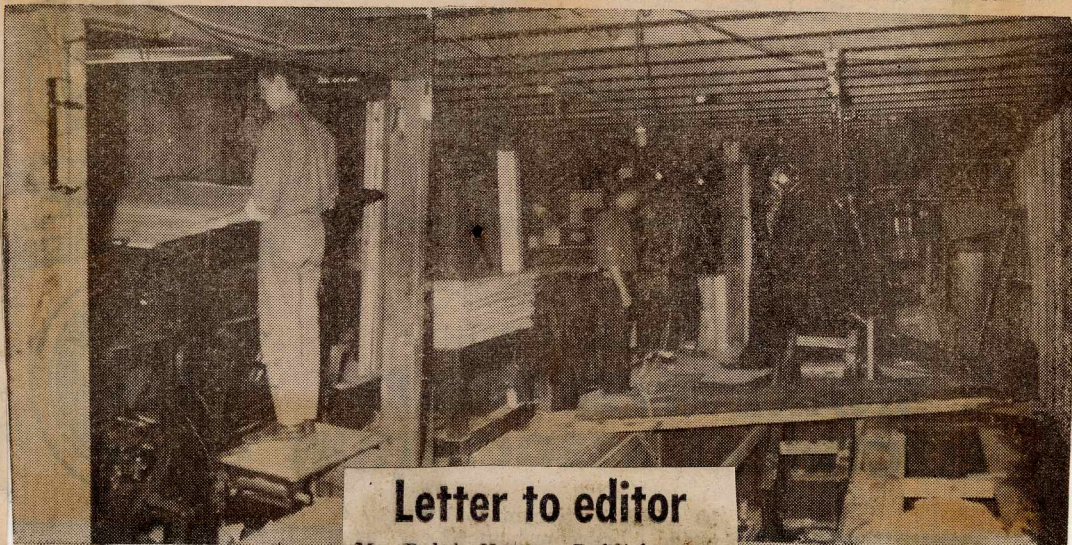

Because of the major alterations involved in the pressroom for the new installation, it was necessary to limit the size of this week's issue. In turn, that required the holding of certain pictures and features originally scheduled for this issue.

The 13-ton press uses large rolls of newsprint, weighing up to 1,500 pounds per roll. It prints and folds 4,800 eight-page sections an hour, with the completed paper having as many pages as desired.

In comparison, the News-Times' old press uses single flat sheets of newsprint, which must be fed one sheet at a time. The old press prints about 1,200 of the four-page sheets an hour, and the completed paper must be hand-fed through a separate folding machine.

Installation of the incoming press is in charge of M. M. "Jiggs" Griffin, of the George Blair equipment company of Salt Lake City. He was also in charge of dismantling the press at Brigham City for its transportation to Meridian.

Tentative schedules call for the large press to be in operation for the printing of next week's issue, with a normal routine to be established by December 30.

Wintry streets limited the attendance at the Occident Club meeting Monday afternoon. Mrs. Richard Payne, City-County Health nurse, spoke on the multipurpose role of the health department and personnel.

Mrs. Zelma Rose, reporting for the Emergency Loan closet, said the community must be healthier than normal. There had been less calls for sick room equipment than any month since the service was started.

The serving table was decorated with white roses and gold candles. Mrs. Rosalie McNeff was a guest.

New record

Meridian library reports busy season

by Catherine Franklin

Meridian library set a new record Monday for books checked out. Almost 400 books went out. A normal check out day is from 250 to 300 books.

Mrs. Marguerite Patch has been added to the library staff to assist with the Monday evening hours.

Though Meridian library has more than 7000 books on the shelves, there is a need for more reference books. To meet the needs of Meridian schools, the library orders books from the state library.

The library is open 20 hours every week and the librarian, Mrs. Nancy Sage, says for every hour the library is open she has to put in three hours behind the scenes.

Her work includes keeping records, listing books needed and ordering them when money is available, cataloguing and studying catalogues from publishers and jobbers, answering mail, mending books, weeding out unnecessary or undesirable material.

The library is run on professional standards with a three-way filing system, requiring many hours to keep in order and up to date. Extra lists have to be made out for the library board and for the state library after check out hours.

Other voluntary services of Meridian's librarian include assisting Boy Scouts to earn their library badges, keeping personal contacts with people and organizations for community service and for assistance to the library.

Meridian library is partially tax-

supported, and is administered by the Occident Club, which has a memorial fund to which contributions can be made. Many of the books have been purchased from the memorial fund and others have been donated from family libraries.

The library is available to all residents of the area around Meridian. A small card fee is charged.
