1978 - 1979

Keep us, O God, from all pettiness
Let us be large in thought, in word, in deed.
Let us be done with fault-finding
And leave off self-seeking.

May we put away all pretense
And meet each other face to face
Without self-pity and without prejudice.

May we never be hasty in judgement
And always be generous.

Let us take time for all things
Make us to grow calm, serene, gentle.

Teach us to put into action our better
Impulses; to be straightforward and unafraid.

Grant that we may realize it is
The little things that create differences;
That in the big things of life we are as one.

And may we strive to touch and to know
The great common human heart of us all.

And, O Lord God, let us forget not
To be kind!
