THE RED BRICK SCHOOL HOUSE

BY: MARION SHAUL PARKS

Although there are many of us still around
Who played on that old red brick school house ground,
No one seems to know when the school was built
Or who the first fire lit.

We have many memories of the days spent there.
The baseball games, the snowball fights,
Keep away and just arguing to see who was right.
We played kick the can and blind man's bluff
And spent a lot of our time just playing rough.
Remember the swings, merry-go-round and giant slide?
And playing jacks and May I on the side?

It wasn't all fun and games though,
About the time we were really on a roll
We would hear that old school house bell toll.
We would line up; girls at one door, boys at the other,
March in, take our seats, all in one room together.

In the winter when it was cold
We huddled around the old pot bellied stove.
The recitation bench was pulled up close
And as we answered questions we warmed our toes.
But if we needed a drink,
We couldn't just run to the sink.
We had to go out to the well, pump for a spell
And drink from a community cup.

The teacher was good, she had to be,
As many pupils were too big to turn over her knee.
She had a time for work and a time for play.
She was strict, but nice, as we worked through the day.
She helped us and we helped each other,
That way we put it all together.

The school house stood for many a year,
The faded red brick holding memories dear.
Then came progress and consolidation, and
That was the end of our old red brick house of education.

Marion Shaul Parks
1986

Marion is from a pioneer family in Meridian. She wrote this poem and it was read by Betty Kusler on the day of the dedication of the Pine Street School.

**Jerry VanDorn Hale
"Goggie"**

Jerry VanDorn Hale, 32, of Caldwell, was murdered at his home on Tuesday, Jan. 20, 1998.

Born Dec. 29, 1965, at Caldwell, Jerry attended Meridian schools, graduating from Meridian High School in 1984. He is listed in Who's Who Among American Students and participated actively in tournament speech to state championship levels. He had attended BSU and was working toward a communication degree. Several have said Jerry had a mind like a steel trap and the memory of an elephant.

Jerry was a naturally curious person — he simply loved to learn. He

loved music, photography, and movies; he was an avid reader. He had a quick wit and an agile mind; he was bright, articulate, and funny. Jerry was loved by his many friends — he was a gentle, compassionate man who stood always available to offer help and assistance in any way he could.

Some of Jerry's fondest memories were of traveling the country with his family on the Pro Rodeo circuit. He was proud of his Native American heritage and followed the sacred path.

Jerry is survived by his mother, Judi and stepfather, Pat Thacker; father, Albert VanDorn; sister, Joey VanDorn; grandmother, Irene Baker; and great-grandmother, Peg Platt. Other family members include Marty Goldsmith, Jed Baker, Maxine Schvaneveldt, Delmer and Carol Jones, Harold Boles and family, Lori Hale, Rebecca Hale, Debbie Jenkins, Lee Maughn, Doug Hale, Howard VanDorn and family, Kenneth VanDorn and family, Don Ihrig and family, Jeanie Dodds, Michelle Kohler, Liz Doe and family, Peggy Brockman and family, Avis VanDolah and family, the Thacker family, Sherry Smets and family, and David McGinnis. He has preceded in death by his natural father, Lonnie Hale of Weiser.
